Please see below for our Early Education Funding Policy.

Early Education Funding Policy

Westbury House School participates in the government Early Education Funding. This entitles all children aged 3-5 years to 15 hours of funded provision. Children become entitled to funding from the term following their 3rd birthday until the term during their 5th birthday.

Westbury House nursery is open Monday to Friday 8:25am to 12:00pm and children are expected to attend 5 mornings per week with the option of having additional afternoons and Reception is open Monday to Friday 8:25am to 3:30pm, both for 34 weeks of the year. Fees are chargeable for hours beyond the funded fifteen hours and for the provision of specialist teachers. The schools fee structure can be found on the school's website. All activities are included within this fee structure except for hours outside of the normal model (for example early morning care).

Parents are invoiced termly in advance and the funding is deducted from the invoice before being issued. Parents are asked to complete the funding forms at the beginning of each term. If funding forms are not returned by the submission date, parents will not be eligible for funding for that term and will be required to pay full fees. Funding is claimed by and paid directly to Westbury House School. Further information on early years funding can be accessed via your local authority website.

If your child joins our school after the designated head count week of each term your child will not be eligible for funding until the following term. In this case you will be charged for the full terms fees.
