

Early Education Funding Guidance

Westbury House School participates in the government Early Education Funding. This entitles all children aged 3-5 years to 15 hours of funded provision. Children become entitled to funding from the term following their 3rd birthday until the term after their 5th birthday.

Westbury House Nursery has two funding options: term time only and full day care.

Term time only nursery

Monday to Friday 8:25am to 12:00pm and children are expected to attend 5 mornings per week with the option of having additional afternoons. Reception is open Monday to Friday 8:25am to 3:15pm, both for 34 weeks of the year. Fees are chargeable for hours beyond the funded fifteen hours (or 30-hours, if they are eligible). The Nursery's fee structure can be found on the school's website. All activities are included within this fee structure except for hours outside of the normal model (for example early morning care).

Parents are invoiced termly in advance and the funding is deducted from the invoice before being issued. Funding is claimed by and paid directly to Westbury House School. Further information on early years funding can be accessed via your local authority website.

Full day care

Full day care is open from 7.30am until 6pm for 50 weeks per year. Parent are able to choose from a range of time options and are able to access up to 30 hours of funding per week. Parents are invoiced monthly in advance. Please see Annex A for payment structure.
