## **1. Statement of School Philosophy**

*WHS has always strived to be creative, innovative and support our parents & children in the best way possible to make learning purposeful and holistic. Our strategy for remote learning continues this.*

## **2. Aims**

This Remote Education Policy aims to:

- Ensure consistency in the approach to remote learning for all pupils who aren't in school through use of quality Online and offline resources and teaching videos
- Provide clear expectations members of the school community with regards to delivery high quality interactive remote learning
- Include continuous delivery of the school curriculum, as well as support of Motivation, Health and Well-Being and Parent support
- Consider continued education for staff and parents
- Support effective communication between the school and families and support attendance

## **3. Who is this policy applicable to?**

- All pupils in the event of a national lock down.
- A child (*and their siblings if they are also attending WHS*) is absent because they are awaiting test results and the household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.
- A child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.

Remote learning will be shared with families when they are absent due to COVID-19 related reasons but is not applicable if the child themselves is showing symptoms.

## **4. Content and Tools to Deliver This Remote Education Plan**

Resources to deliver this Remote Education Plan include:

- Online tools for EYFS, KS1, KS2 (*such as Family, Tapestry, Zoom, Google Suite and Showbie*), as well as for staff CPD
- Use of recorded video
- Live stream for start of day registration and assemblies
- Phone calls home
- Hardcopy resources (textbooks and class novels)
- Athletics, Reading Eggs, Charanga, Literacy Shed, Discovery Espresso, Discovery Coding and BOFA (Y5 and Y6)

Our aim is to deliver our usual curriculum to both the Upper School and EYFS, livestreaming the majority of lessons according to the children's class timetables. This will include assembly and form time. Accommodations for subjects such as Drama (which may be exchanged for an additional English lesson), Art (which is resource dependent) and PE will be made which may include pre-recorded lessons.

## **5. Home and School Partnership**

WHS School is committed to working in close partnership with families and recognises each family is unique and because of this remote learning will look different for different families in order to suit their individual needs.

WHS School will provide a refresher online training session or induction for pupils on how to use Google Drive, Zoom and Showbie.

Where possible, it is beneficial for young people to maintain a regular and familiar routine. WHS recommend that each 'school day' maintains structure.

We encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on case-to-case basis.

All children sign an 'Acceptable Use Policy' at school which includes on-safety rules and this applies when children are working on computers at home. Pupils in Y4-6 will also be required to read, understand and sign the 'Use of Breakout Rooms' agreement.

## **6. Roles and responsibilities**

### **Teachers**

WHS will ensure each teacher is provided with an iPad in order to carry out their duties

WHS will provide a refresher training session and induction for new staff on how to use Showbie, Zoom and Google Drive.

In preparation for a potential lockdown, teaching staff will ensure all pupils are familiar with the use of online platforms and will set homework at least twice a week using these platforms, pre lockdown.

When providing remote learning, teachers must be available between 8.30am and 3.30pm.

  - iii. Any complaints or concerns shared by parents or pupils should be reported to a member of SLT– for any safeguarding concerns, refer immediately to the DSL

### **Senior Leaders**
